

NOW OFFERING TELEHEALTH!

For your safety and wellbeing, Dr. Callari is offering virtual medical appointments via Internet. This allows our patients (new & existing) to have appointments via computer or smart phone during this heightened time of infection awareness. While the office is still open for in-person appointments, **TELEHEALTH** appointments are recommended whenever possible to protect our patients and staff. Please call **954.760.7836** to make your appointment or request an appointment online at **www.browardsinusandallergy.com**.
